(c) if so, the details thereof and if not, the measures taken/proposed to be taken by the Government in this regard?

Answer

MINISTER OF STATE IN THE MINISTRY OF HUMAN RESOURCE DEVELOPMENT
(DR. MAHENDRA NATH PANDEY)

(a) to (c): Many of the Private tuition / coaching centers are informal arrangements and do not come under the purview of this Ministry. Besides many of these operate at the school level which is under the direct purview of the State Governments. Accordingly, all State Governments are being addressed to take steps for effective regulation of such centres in the interests of the students.
In order to provide support to the students without depending on the coaching system, this Ministry has started the IIT-PAL initiative under which difficult concepts of class 11 and 12 are taught by the professors from IITs. All these lessons would be transmitted through the DTH channels free of cost to all students.
